
Developmental/Pee Wee Spring Break Camp

Tucker Tennis Academy

This **camp** is for beginner to intermediate level players. Students will learn the proper technique for ground strokes, volleys, and serves. We will integrate the USTA Net Generation Junior Development Program into our drills for this camp. It works by getting kids into the game immediately. In this camp students will gain confidence by seeing their own progress and also become more enthusiastic about continuing to play and improve. We believe that having fun is imperative to a young player's development. Net Generation Tennis enables kids to have an enjoyable experience early on in the learning process.
